***REACH THE NEXT LEVEL IN  
SUSTAINABILITY***

**BIO-BASED PF-RESIN**

# Lignin-PF RESIN

- **Energy-saving:** Lignin accelerates reaction.
- **Cost-effective:** Lignin is cheaper than Phenol.
- **Biomass-sourced:** Lignin is from non-food plants.

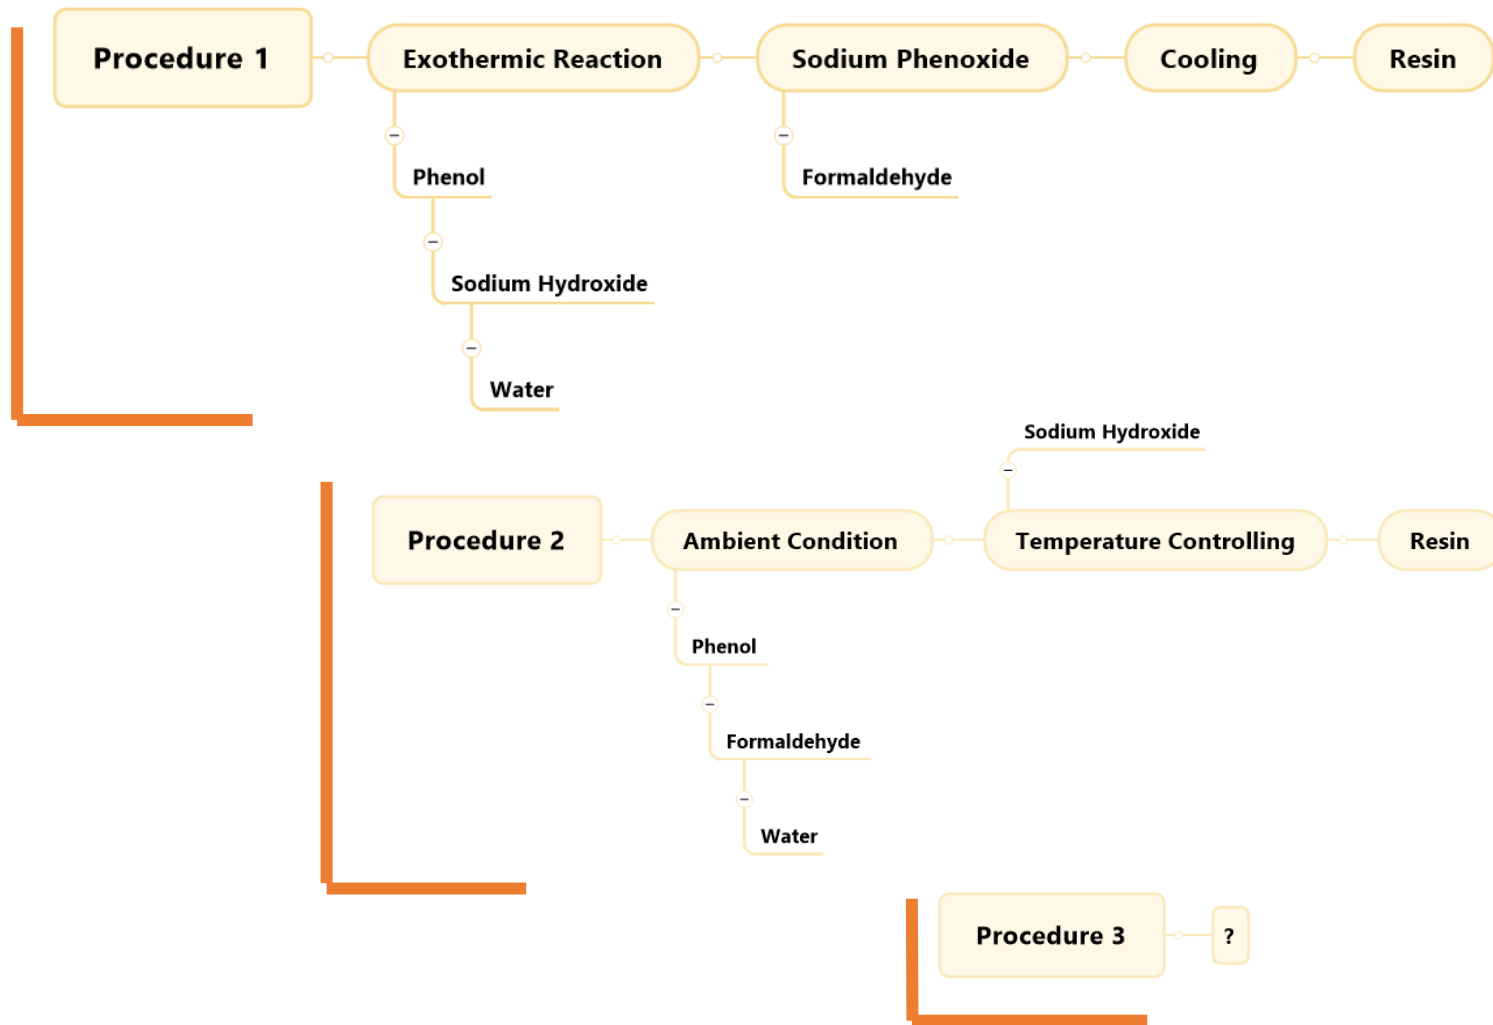

*Established in Finland and Germany.*

PK-L10PF – 10% Lignin  
PK-L20PF – 20% Lignin  
PK-L30PF – 30% Lignin  
PK-L40PF – 40% Lignin

# We are a Swiss Company, offering approved material and counsel on its integration into your specific process

**Phenol  
Replacement  
up to 40%**

# Thank you for your interest.
